RE: Allen et al. v. Krucial Staffing, Inc. et ano, 20-cv-2859 (JGK)

Dear Judge Koeltl:

It appears that my response to the motion to sever is due today. I might be able to get it filed by midnight, but I am asking, in the alternative until next Wednesday, chiefly for one reason. Specifically, I contacted defense counsel about a conference on this motion (and how we might resolve it, if only temporarily), as well as the next week's pre-conference conference with Magistrate Ona Wang. Defense counsel suggested a time and date, along with a call-in number to follow, but I did not hear back, even I followed up.

Certainly, I accept this as my mistake; the above is just an explanation, and there were other matters that prevented me from working earlier this week. I had shelved the response (in my mind), though just remembered it was due today. I'll attempt to file today, but if I am unable to do so, I would ask for a short extension until Wednesday June 17. (If you get this application until Monday, I'd ask for the same relief nunc pro tunc.)

Sincerely,

Greg S. Antollino

Gregory Antollino
